

KIME

PERFORMANCE PT

INTERN

Overview

Kime Human Performance Institute is a premier provider of human performance improvement services with global reach and local emphasis. Our revenue verticals are Physical Therapy, Performance Training, Education, Retail, and Research. We are an organization driven to grow both locally and nationally in each of our verticals. The organization is customer centric, committed to creating the premier health and wellness experience in the industry. In 2019, we operate out 4 locations with 11 providers, and have education courses existing both live and online. We are looking to add providers, grow our patient reach and increase our education platform.

Our Physical Therapists specialize in movement and motor control. We provide an individual plan for each patient tailored to upgrade lives. KIME functions as a team of providers, like minded, focussed, driven to excellence because our clients are worth it. We commit to leaving no stone unturned in the pursuit of better performance for our clients/patients.

This internship will be located at our Performance Physical Therapy facilities.

Responsibilities:

Perform administrative and clinic maintenance duties as directed by the Intern Supervisor or physical therapy staff. We believe our working environment is a reflection of our commitment to Excellence; come ready to contribute to the Kime work environment with a positive attitude and willingness to learn. Guard confidential patient and professional clinic information at all times.

What you'll learn:

Individuals who join our team will gain knowledge and experience working in a highly skilled **physical therapy** and group training environment. Each week you will shadow, observe, and participate in the performance therapy programming and services we offer to our clientele ranging from youth to adult, collegiate, elite, and professional. Our coaches and therapists utilize our unique proactive health and performance training system progressing clients through the movement continuum. As an intern, you'll participate in lectures, presentations, and practicums surrounding our specific strategies we use to enhance human performance and walk away with an in-depth understanding on how to implement this post-graduation.

Who We Are Looking For:

We are looking for enthusiastic, energetic, and talented individuals who have a passion for upgrading the lives of all walks of life. These individuals must be pursuing a Bachelor/Graduate degree in Exercise Science or related field, interested in an industry certification such as DPT, NSCA-CSCS, NSCA-CPT, ACSM, NASM-CPT, etc., and a strong desire to become a professional in one of the following fields: Strength and Conditioning, personal training, sports medicine, or physical therapy. Eligibility for this internship is dependent on being able to receive academic credit for participation and completion.

Internship Logistics:

If you are selected to participate in the KIME Performance Internship, you will be responsible for the following

- Finding, securing, and funding your own housing for the duration of the internship
- Booking and funding your travel and relocating to the location of your internship prior to the start date
- Funding all food and transportation costs for the duration of your internship

Academic credit is a requirement, so we recommend that you speak with your academic advisor on this before submitting your application to our internship program.

Qualifications**Basic Qualifications:**

- Must be receiving college credit through undergraduate, or graduate classes
- Must be eligible for work in the USA
- Must be enrolled in a 4 year or master's program specializing in sport science, kinesiology, exercise physiology, exercise science, etc
- Must be able to dedicate 20 hours/week worth of work for the 12-16 weeks
- Must be interested in the field of Human Performance

Preferred Qualifications:

- Proficient with Anatomy
- Computer Literate-Word and Excel, Google Drive
- Excellent communications skills
- Attention to Detail
- Proactive and action oriented
- Certified in First Aid/CPR for the duration of the internship term

Physical Requirements:

- Must be able to lift up to 50 pounds unassisted repeatedly throughout the workday
- Perform basic physical requirements of this job such as frequent walking around and demonstrating and assisting with exercise movements; bending, stretching, lifting, pushing, pulling and squatting are movements performed daily

We are an equal opportunity employer

KIME Performance is proud to be an affirmative action / equal opportunity employer. All qualified applicants will receive consideration without regard to race, creed, gender, marital status, sexual orientation, citizenship status, color, religion, national origin, age, disability, veteran status, or any other status protected under local, state, or federal laws.

Reach out to us and include your Resume/Curriculum Vitae. We welcome the opportunity to discuss your future and ours.
