

KIME Physical Therapist Position

We are seeking passionate therapists looking to blaze the trail of human performance and improve lives. Our team is focused on a singular goal of improving the performance of our clients. This is done through one on one therapy sessions, small group coaching and large group or team coaching. Our methodology roots our team together allowing us to accomplish more and truly make an impact on people's lives.

Through experience, we have learned we can achieve more with a strong team and a singular focus. If you feel the same way and are looking to join a dynamic practice that is growing, impacting people, and the profession of Physical Therapy, then we want to talk.

Kime stands for focused energy at a single instance in time. Kime Performance PT exemplifies this idea in how we serve our communities with high performing physical therapy, performance training, and sports medicine. Our team strives to better the world through healthy movement following injury, surgery, pain syndromes, or for performance enhancement. We are fiercely dedicated toward the academic basis of how we serve; consequently, our team is involved in both local academic research and accredited professional education. The primary elements of physical therapy, education, and performance training represent our company's pillars.

We have developed a unique model for clinician development that puts the focus on lifelong learning and skill acquisition. In this light, we welcome new graduates looking to grow within the field of sport physical therapy. Understanding the movement continuum of all aspects of exercise, fitness, and performance is just as essential as manual therapy skills. This perspective will be our model towards Master clinician development.

We offer competitive compensation and benefits package, along with the opportunity with being part of a rapidly growing and energized team of physical therapists, and performance coaches. At present, we serve the Greater Sacramento Region and provide Education services Nationally.

Primary Duties:

- Assist in the development of the Kime rehabilitation system in accordance with all local, state, national laws and regulations, as well as licensing and insurance certification
- Evaluates patients, reviews physician's referrals and patients' records to determine physical therapy treatment requirements
- Performs patient tests, measurements and evaluations. Record findings to aid in developing and/or revising specifics of the treatment program or training program
- Administers appropriate treatment as indicated. Instructs, motivates, and assists patients to achieve their goals
- Screens teams/athletes/corporate affiliates/gym affiliates utilizing FMS/SFMA and Kime UQ/ LQ screening process to determine training level and safety
- Utilizes screening information to develop rehabilitation protocol and interventions if needed
- Appropriately supervises and directs PTA's or support staff in providing patient care and performance of their job responsibilities

- Records patients' treatment, response, and progress daily within company's documentation format
- Completes documentation requirements and billing procedures in a timely manner per policy
- Updates treatment plan and/ or reevaluates patients as needed to ensure optimal outcome
- Interacts and consults with other medical services and coaches (with regard to patients')

KIME Performance is proud to be an equal opportunity employer. All qualified applicants will receive consideration without regard to race, creed, gender, marital status, sexual orientation, citizenship status, color, religion, national origin, age, disability, veteran status, or any other status protected under local, state, or federal laws.

Reach out to us and include your Resume/Curriculum Vitae. We welcome the opportunity to discuss your future and ours.
